28 November
Edith Cowan University, Mt Lawley

SPONSORSHIP PROSPECTUS AND EXHIBITION

DESIGN & TECHNOLOGY TEACHERS' ASSOCIATION (DATTA) WA STATE CONFERENCE 2025

This year's theme, "Ignite Learning – Inspiration from Real-World Connections," focuses on how partnerships beyond the classroom—through industry, community, and real-world contexts—can transform Design and Technology education. The conference aims to bring together educators, researchers, and professionals to explore and share best practices, practical strategies, and innovative tools that support future-focused learning.

Participants will engage in rich discussions around emerging trends, challenges, and curriculum innovation, while also reflecting on the enduring importance of traditional skills. The event will highlight the value of industry collaboration and its role in preparing students for the demands of Industry 4.0 and the rapidly changing workforce landscape in Western Australia.

The 2025 DATTA WA State Conference offers a powerful opportunity for professional growth, networking, and connection—empowering educators to inspire and activate learning beyond the classroom.

Who will attend?

The conference will attract approximately 150 delegates, in particular teachers who instruct in the areas of technology, including:

- Graphic design
- Materials (Wood, Metal, Plastic)
- CAD systems
- Design heuristics
- Mechanical and Systems engineering
- Control systems and programming
- Electronics, circuit design and production
- Tool and Machinery Suppliers
- Workplace Health and Safety
- Cost Centre Managers and Administrators

WE INVITE YOU

On behalf of the Organising Committee, I am excited to invite you to participate as a trade exhibitor and/or sponsor of the DATTA WA State Conference 2025 on the 28th November.

The packages outlined in this sponsorship and exhibition prospectus have been developed to provide an opportunity to promote your business, network with delegates, as well as work together to support this year's theme of

Ignite Learning – Inspiration from Real-World Connections

Be part of Western Australia's premier Design and Technologies education event, bringing together educators, industry experts, and thought leaders who are redefining learning for the future. This year's theme, "Ignite Learning – Inspiration from Real-World Connections," highlights the importance of authentic, hands-on, and industry-aligned experiences that shape tomorrow's innovators.

As a sponsor, exhibitor, or presenter, you'll have a unique opportunity to:

Showcase your products, services, and expertise to a highly engaged and forward-thinking education audience

Build meaningful relationships with teachers, school leaders, and decision-makers

Contribute to the conversation around future-focused learning and skills development

Join us in inspiring the next generation through real-world connections. Let's ignite learning together.

IMPORTANT INFORMATION FOR ALL EXHIBITORS

Site configuration

Exhibitor tables will be placed in dedicated areas for the conference in Building 16 at Edith Cowan University Mount Lawley Campus.

- Availability is limited and applications will be reviewed on a first-in-first-serve basis (subject to availability).
- We ask that you **bring an extension lead/power board as these will not be provided**. Access to power will either be on walls or hanging from above but may not be directly beside your table (depending on the location). **Please note: a power point circuit total is 16 AMPs.**
- **It is a requirement of the venue that exhibitors outline what electrical equipment/machines they are going to bring/demonstrate onsite, and the applicable power needs.** This information will be collected via a field in the application form. If you have high power needs, please let us know here.
- Tablecloths and pinboards are **not** provided, but you are welcome to bring a branded tablecloth, pull-up banner or portable display/machine to fit in your allocated area.
- Bump in for the exhibition setup will take place on Thursday 27 November. It will not be possible to send items in advance to the venue and everything will need to be brought with you and then removed after the conference. Full instructions will be shared in an exhibitor manual.

Safety requirements

- The venue requires that electrical equipment, extension cords and power boards must be tagged and tested.
- The venue requires that cables and leads must be taped down (gaffer tape or similar) by the exhibitor if they run across a floor walkway.
- Any equipment that creates dust/wood shavings and/or a metal swarf issue in the display area, must have an adequate filtering system/extracting unit or containment process in place. It is not acceptable to vent unfiltered gases, fumes, and dust etc. into the exhibition area.
- Please be mindful of Workplace Health and Safety issues to avoid hazards.

Delegate details

- The Provision of delegate names and organisation names is subject to privacy laws. Participants can choose not to be listed and opt out of providing contact details.

Exhibitor passport competition

All exhibitors will be listed on the passport card to encourage visits from delegates. The prize for the draw will be provided by DATTA WA.

Your organisation is also welcome to run its own prize draw from your trade display. However, the promotion of your own prize draw is your responsibility and will not be announced by the conference organiser or organising committee.

General

- The organisers reserve the right to change the venue, duration, or floor plan if exceptional circumstances demand. In the event of a change of venue and/or duration, the agreement to participate will remain in force so long as the exhibitor is informed in reasonable time frame.
